Dear Sirs:

Targeted Justice submits this letter on behalf of, and with the consent of the patient delivering it. The patient is a member of Targeted Justice, Inc., a Texas 501(c)(3) corporation.

This letter is to advise that you or anyone on your behalf refrain from placing any medical artifacts, implants or invasive devices in this patient that will remain inside of them after leaving your office or hospital facilities.

This patient invokes his/her rights under the Fourth and Fifth Amendments of the U.S. Constitution and does not consent to being a human subject of any medical research or investigation without his/her express consent, and specifically rejects the provision of the Food and Drug Administration's rule contained in 21 CFR Parts 50, 312, and 812 regarding "Institutional Review Board Waiver or Alteration of Informed Consent for Minimal Risk Clinical Investigations". This patient demands that informed consent be required in writing from him/her before she/ gets any kind of implant or device placed within his/her body, including self-assembling ones contained in injectables.

Further, this patient does not consent to any COVID injection, Marburg virus, mRNA, flu, or any other kind of vaccine or shot that contains graphene.

This notice can only be withdrawn by a written document from the patient authorizing any surgery and must specifically referring to this document.

We insist that a copy of this document is served on the hospital administration, nursing staff, and medical doctors treating this patient.

Sincerely,

The Board of Directors at Targeted Justice
